

Passionate Care in a Luxurious Setting

What the Flip?

February would not be complete without some pancake day flips! Here's one of our favourites, if only because they didn't drop it!

We're on Facebook!

If you didn't already know, Ward Green Lodge has its own Facebook profile! We update regularly with what's been going on in the home and any events that will be coming up in future. Simply add "Ward Green" as a friend on Facebook. Our profile picture is below to help identify the correct profile

Lost & Found

In February Ward Green Lodge sent out an email to relatives to inform them that we are currently holding clothing that does not have any names on them. We are once again inviting all relatives to come into the home to see if any of the clothing belongs to their loved ones

An update from Ward Green Lodge

Hello and a warm welcome to Ward Green Lodge. We bring to you what our residents have been doing over the last few months and what is coming up in the forthcoming months.

How to Craft Your Dragon

2024 is in full swing, and we're starting off the first newsletter of 2024 with the Lunar New Year. To celebrate the year of the dragon, we've been decorating the home with Chinese lanterns and dragon themed decorations. We've been loving seeing the residents designs for both

Care Awards 2023 Follow-Up

Alright, we're *slightly* cheating here, as this isn't actually something that happened this year. However we are exceptionally pleased to reveal, dear readers that Ward Green Lodge had two winners at the Care Awards 2023 at the end of the year!

Jon Higgins won 1st place for the Dementia Carer Award, while Joanne Hopkinson was Highly Commended for the Care Assessor Award.

With this, Jon will be going to the Great British Care Awards Final in March! Fingers crossed for Jon!

Valentines Day Get Together

With Valentines day being the main focus of February, we've put together something special for the occasion.

We've invited relatives to come in to the home for a special lunch with their loved ones to celebrate Valentines Day, using one of our quiet lounges to keep the time together personal. We'd like to thank Elaine for her efforts to make sure everyone got to enjoy their time together
