

Care Plan Reviews

Ward Green Lodge invites relatives to be able to review their loved one's care plan.

A care plan is a personalised document that outlines an individual's specific health and social care needs, along with actions required to meet those needs.

Care plans can serve as a guide for carers, family and healthcare professionals to ensure that the care an individual receives is consistent, appropriate and coordinated. These are typically reviewed monthly.

Information gathered from relatives and loved ones can help to guide carers to provide additional insight and inform of needs or preferences they may not previously have known.

If you would like to arrange a meeting, please speak to one of our deputy managers

Passionate Care in a Luxurious Setting

An update from Ward Green Lodge

Hello and a warm welcome to Ward Green Lodge. We bring to you what our residents have been doing over the last few months and what is coming up in the forthcoming months.

Golden Oldies Disco

In January we started our Golden Oldies Disco, on Monday mornings & Friday afternoons we have started hosted a mini disco to give people a chance to shimmy and sway their way through our most beloved songs. So far this has gone really well and our residents have been loving it; we hope you get a chance to come and see it for yourself as well!

In this issue:

- Golden Oldies Disco
- Grassroots Visit
- Love to Move
- Upcoming Events

Ukulele Performance

On 2nd February we had a visit from Janet to perform on the ukulele. Our residents loved to have her perform and had a dance through. We look forward to the next time we can have a visit from Janet!

Grassroots Activities

On 22nd January we had a visit from Grassroots, doing activities and games with our residents. We've had an absolute blast with them, and our residents really got stuck into it. As you can see from the picture, you could even say some of them got their punch back!

Love to Move

Our Love to Move sessions are still running strong! Held on Wednesdays at 10:30, this gives a chance for residents to do armchair exercises with Cheryl, and we're encouraging everyone to join in! We hope to see you there!
