

Care Plan Reviews

Ward Green Lodge invites relatives to be able to review their loved one's care plan.

A care plan is a personalised document that outlines an individual's specific health and social care needs, along with actions required to meet those needs.

Care plans can serve as a guide for carers, family and healthcare professionals to ensure that the care an individual receives is consistent, appropriate and coordinated. These are typically reviewed monthly.

Information gathered from relatives and loved ones can help to guide carers to provide additional insight and inform of needs or preferences they may not previously have known.

If you would like to arrange a meeting, please speak to one of our deputy managers

We're on Facebook!

If you didn't already know, Ward Green Lodge has its own Facebook profile! We update regularly with what's been going on in the home and any events that will be coming up in future. Simply add "Ward Green" as a friend on Facebook. Our profile picture is below to help identify the correct profile

Right, well. End of the newsletter and I think we got away with not mentioning the World Cup result. Wait...

Passionate Care in a Luxurious Setting

An update from Ward Green Lodge

Hello and welcome to Ward Green Lodge. In this edition, we take a look at what our residents have been enjoying over the past few months and share some of the exciting activities and events planned for the months to come.

Happy Retirement

At the end of July, We have said a very special goodbye to our lovely June as she begins her well-deserved retirement. June has been a valued member of the Ward Green Lodge family for over 8 years. We can't thank her enough for all of her hard work, and she will be greatly missed by everyone. From all of us at Ward Green Lodge, we wish you a long, happy, healthy, and relaxing retirement.

In this issue:

- Happy Retirement to June
- Summer Heat Activities
- Summer Fair
- A Wedding Reception at Reception
- Upcoming Activities

Walking On Sunshine

Naturally, having gone through an incredibly hot summer (and 5 heatwaves!) we've taken as much advantage of the sun as we can to do activities outdoors. We've done games outside, planting, in the gardens, as well as summer cocktails and fruits out in the sun. Our residents have loved to get out into the sun and into some seriously un-British weather...

Then we all complained it was too hot.
Typical.

The Summer Fair

Originally set for the end of July, on 21st August we held our Summer Fair! We've had stalls out at the front of the home, and entertainment provided by Martin Wolfe, whom the residents and visitors absolutely loved. While the weather was a little colder than expected, everyone in attendance has loved the afternoon out, and especially loved getting something from the ice cream van. I can happily report that the activities from the Summer Fair also raised £120 for Ward Green Lodge's residents fund! We would like to extend a massive thank you to everyone who came to visit and help out, as we could not have done this without you.

A Reception At Reception

Unfortunately in our line of work, the stark reality is that you find out quickly how debilitating and cruel dementia is, moments that should be special for everyone taken away, like watching your loved ones walk down the aisle.

That's why, on 11th of July, the party came to Ward Green Lodge. We held the newly wed Mr and Mrs Fisher's wedding party in our reception, to make sure that our very own Sue could be at the celebrations. We would like to extend a heartfelt congratulations to Mr and Mrs Fisher, as well as our thanks for coming to Ward Green Lodge.
