Passionate Care in a Luxurious Setting

An update from Ward Green Lodge

Hello and a warm welcome to Ward Green Lodge. We bring to you what our residents have been doing over the last few months and what is coming up in the forthcoming months.

Oh, you (Yorkshire) Pudding

On 2nd February, we embraced Yorkshire Pudding day by making them with the residents. Our residents proved they haven't lost their touch when it came to making the perfect fluffy Yorkshires. Several residents were even saying that they would've shown their relatives how it was really done. We won't name anyone, but it seems you've got some catching up to do!

Mothers Day Afternoon Teas

Finally, as everyone will know, March 30th was Mother's Day. To make it special for families, Ward Green Lodge held special lunches for families to enjoy in private with their loved ones, as well as taking special photos with mothers around the home to celebrate the occasion.

We're on Facebook!

The Local MP's Visit

On 7th February we held a Love to Move session with a special guest; local MP Stephanie Peacock visited the home to see our session, chair exercises and a sing-along.

We hope that Stephanie and her team enjoyed their visit to home, and would love to have them over again.

Cheese & Kisses

On 14th February, we had a Cheese & Kisses day to celebrate Valentines Day. We went around with a selection of cheese and sent kisses out to loved ones.

Flipped Off

On 4th March, we celebrated Pancake Day. In usual fashion, we went around with a pan and pancakes and challenged residents and staff to flip pancakes. It turns out this is harder than it sounds when your pancake falls apart after a couple of tries. It also turns out that in spite of this, the residents were better at it than the staff! Look at them go!
